

- PLAT NOTES:**
- Building Permits:** No building permits shall be issued for any lot in this Subdivision until an appropriate CFA or other acceptable provisions are made for the construction of any applicable water, sewer, storm drain, street lights, sidewalks, or paving improvements, and approval is first obtained from the City of Fort Worth.
  - Construction Prohibited Over Easements:** No permanent buildings or structures shall be constructed over any existing or platted water, sanitary sewer, drainage, gas, electric, cable or other utility easement of any type.
  - Utility Easements:** Any public franchised utility, including the City of Fort Worth, shall have the right to move and keep moved all or part of any building, fence, tree, shrub, or other growth or improvement which in any way endangers or interferes with the construction, maintenance, or efficiency of its respective systems on any of the easements shown on the plat; and they shall have the right at all times to ingress and egress upon said easements for the purpose of construction, reconstruction, inspection, patrolling, maintaining, and adding to or removing all or part of its respective systems without the necessity at any time of procuring the permission of anyone.
  - Water/Wastewater Impact Fees:** The City of Fort Worth has an ordinance implementing the assessment and collection of water and wastewater impact fees. The total amount assessed is established on the filing date of this plat application, based upon schedule I of the current impact fee ordinance. The amount to be collected is determined under schedule II of said ordinance and becomes effective on the date the building permit is issued or the connection date to the municipal water and/or wastewater system.
  - Transportation Impact Fees:** The City of Fort Worth has an ordinance implementing the assessment and collection of transportation impact fees. The total amount assessed is established on the approval date of this plat application, based upon Schedule 1 of the impact fee ordinance in effect as of the date of the plat. The amount to be collected is determined under Schedule 2 of said ordinance and is due on the date a building permit is issued.
  - Sidewalks:** Sidewalks are required adjacent to both sides of all public and private streets, in conformance with the Sidewalk Policy per "City Development Design Standards".
  - Covenants or Restrictions are Un-altered:** This Replat does not vacate the previous "Plat of Record" governing the remainder of the subdivision, nor does it amend or remove any deed covenants or restrictions.
  - Parkway Permit:** Parkway improvements such as curb & gutter, pavement tie-in, drive approaches, sidewalks and drainage inlets may be required at time of building permit issuance via a parkway permit.
  - Private Maintenance Note:** The City of Fort Worth shall not be responsible for maintenance of private streets, drives, emergency access easements, public access easements, public pedestrian access easements, recreation areas, open spaces and drainage facilities, and said owners agree to indemnify and save harmless the City of Fort Worth, Texas, from claims, damages and losses arising out of or from performance of the obligations of said owners set forth in this paragraph.
  - Sidewalks:** Sidewalks and street lights are required for all public and private streets and public access easements as per City of Fort Worth Standards.
  - iSWM Relief Note:** Preliminary and Final Storm Water Management Plans, (SWMP), demonstrating how site runoff will be mitigated to preclude any adverse impact to the surrounding area, (as defined by the edition of the City of Fort Worth Integrated Stormwater Management Criteria Manual current at the time the SWMP is submitted), must be submitted to and approved by the City of Fort Worth for each individual lot prior to 1.0 acre or more of land disturbance.
  - Private Sewer:** Sewer to be served by private individual disposal system.

11. iSWM Relief Note: Preliminary and Final Storm Water Management Plans, (SWMP), demonstrating how site runoff will be mitigated to preclude any adverse impact to the surrounding area, (as defined by the edition of the City of Fort Worth Integrated Stormwater Management Criteria Manual current at the time the SWMP is submitted), must be submitted to and approved by the City of Fort Worth for each individual lot prior to 1.0 acre or more of land disturbance.
